Associated Builders & Contractors  
Apprenticeship Training Facility  
4577-C Las Positas Rd.,  
Livermore, CA 94550

*Running your own painting business is like being a professional athlete—you risk sticking your neck out to win the race.*

Let PDCC help you get ahead by providing the training your employees are required to have, to ensure that you have a winning team with trained and certified employees.

This event is free to all members of PDCC. The value of the training is over \$300 per person—you can *save thousands of dollars* by sending your employees! The "Safety Free-for-All" is sponsored by PDCC and endorsed by SCIF.

Get your neck off the line—stride ahead & win!
